

**The Business and Applied Sciences Academy of North America  
(BAASANA) 2019 International Conference**

**June 17-19, 2019, Adelphi University (Angello Alumni House), Long Island, New York, USA**

**Conference Theme: Applied Research--- International and Interdisciplinary Perspectives**

**Call for Papers**

The Business and Applied Sciences Academy of North America (BAASANA) is an interdisciplinary, not for profit, professional association of business, sciences, and technology. It seeks dissemination of advanced knowledge and skills among scholars and practitioners of business and applied sciences toward resolving issues and problems of the 21st century. By sharing knowledge, expertise, and facilitating transfer of know-how across the digital divide, BAASANA programs seek to contribute toward improvement of human conditions.

The first BAASANA conference was held during the summer of 2009 in Philadelphia. In the subsequent years, the conference was held in the different parts of Eastern USA, the UK, Vietnam. More regional conferences in Asia and African Countries will be hosted soon.

Scholarly papers, abstracts, proposals for panel from all academic and applied disciplines in business, natural, social, behavioral sciences including fields of applied humanities such as journalism, mass communication, legal studies, educational administration, health sciences, environmental engineering and IT technologies are being invited for presentation at the conference. The paper Submission **Deadline is March 15, 2019**. Earlier submission is highly encouraged. Since visa formalities and travel arrangements could take months, international participants are advised to submit paper, abstracts, and panel proposals ASAP.

Paper/Abstract: Submit a complete paper (page limit: 20 double spaced pages including tables, references) or an abstract up to 500 words (the title, authors' name, address, and email address) online via [www.baasana.org](http://www.baasana.org)
