The Business and Applied Sciences Academy of North America (BAASANA) is an interdisciplinary, not for profit, professional association of business, sciences, and technology. It seeks dissemination of advanced knowledge and skills among scholars and practitioners of business and applied sciences toward resolving issues and problems of the 21st century. By sharing knowledge, expertise, and facilitating transfer of know-how across the digital divide, BAASANA programs seek to contribute toward improvement of human conditions. BAASANA was founded in 2008 by Dr. M. Ruhul Amin, Professor of Management & International Business at Bloomsburg University of Pennsylvania, USA.

The first BAASANA conference was held during the summer of 2009 in Philadelphia. The second conference was held during the summer of 2011 at Bloomsburg University of Pennsylvania, USA. The 2013 conference was held in New York City, USA, and the 2014 conference was held at Ramapo College of New Jersey, USA. In 2015, 2016 and 2018, BAASANA Conferences were held at Newman Conference Center of City University of New York. Regional Conferences were also held in England in 2017, and Vietnam and India both in 2018. This year the BAASANA conference is being held at Adelphi University in Garden City, New York during June 17-18 and at the UN premises, New York, on June 19th 2019.

BAASANA publishes peer reviewed and indexed proceedings with ISSN 2471-6847. at www.baasana.org. Proceedings of the 2019 International Conference will be published in November 2019 and it will also be submitted to Reuter Thompson for indexing in December 2019.

The scholarly publication of BAASANA is the International Journal of Business and Applied Sciences (IJBAS). Volume 8, No. 1 of the journal has been recently released. A new journal, International Review of Business and Applied Sciences (IRBAS) will be launched in July 2019. The best (full) papers of the conference upon further review will be considered for publication in the journals. IJBAS is indexed by the U.S. Library of Congress, Cabell’s Directory, and EBSCO. BAASANA also associates with two affiliated journals. For information, write to info@baasana.org.

A Warm Welcome From Chairman of the Board of Directors of BAASANA

Dear Friends,

Welcome to the 2019 International Conference of Business and Applied Sciences Academy of North America!

Thanks to you for a successful decade of intense scholarly activity. With your support we now are hosting 11th international conference. We have two international scholarly journals of our own and also have two affiliated journals. Additionally, we publish peer reviewed conference proceedings. With no corporate and institutional support, we have exceeded in volunteerism. As the unique interdisciplinary scholarly body, BAASANA is becoming a popular name with new chapters opening every year.

I must specially thank Dr. John Okpara, President of BAASANA, Senior Vice President and Program Chair for 2019 Conference in New York and particularly, Dr. Frank Owarish, Vice President of External Affairs and Life member of the BAASANA Board for their commitment, dedication and hard work for the BAASANA mission. I am indebted to all Vice Presidents and the BAASANA Board members for their continued commitment to our organization. We currently are pursuing affiliations with UN organizations based on the affinity of our missions. Dear friends, the future of our organization is just beginning to unfold. As I gradually move to a retired life, I will remain connected with you to assist in whatever way I can during the next decade of global movement of BAASANA. From the bottom of my heart, I thank you and wish all of you professional success and personal prosperity!

Finally, please join me in thanking our ardent Board member, Dean Rajib Sanyal of Adelphi University for helping us arrange this venue at an affordable cost!

With warm regards,

M. Ruhul Amin

Dr. M. Ruhul Amin, Chairman of the Board; Founder and President Emeritus

BAASANA
Warm Greetings from the President

Dr. John Okpara

Dear Conference Attendees,

On behalf of the Executive Board of BAASANA, I am honored and delighted to welcome you to the 2019 BAASANA International Conference at Garden City, New York. It has been an honor and privilege for me to serve as the President of BAASANA.

The organizing committee has again brought together a diversity of authors and speakers from universities, governments, and private sectors around the world to share ideas and new perspectives on a wide range of topics. Please take advantage of this opportunity and contribute, through presentations, discussion, and interaction toward development of new ideas and new directions in Business and Applied Sciences research.

I hope you find this year’s conference, including the keynote speakers, the sessions, and particularly our Day at the United Nations very useful, educational, productive, and interesting. Paper reviewers, session chairs, presenters and the panelists, “thank you”. You have helped to make this year’s conference a success.

I wish you a pleasant stay in Long Island, and look forward to receiving your constructive comments.

Best wishes,

John O. Okpara, Ph.D.

BAASANA President

June 17, 2019
Greetings from the Senior VP & Program Chair:

Warm Greetings from the Conference Program Chair

Dr. Serajul I. Bhuiyan

Dear Conference Participants,

On behalf of the BAASANA 2019 organizing committee, I am honored and delighted to welcome you to the 11th International Conference being held at Adelphi University, Garden City, and at the UN premises. Last year the BAASANA Board chose a venue that combines the serenity of Long Island while being near the heartland of a financial and tourism capital of the world-New York City.

Our technical program is rich and varied with keynote speeches, panels and applied paper sessions each day with participation by 72 distinguished scholars in 20 sessions from home in the USA and abroad especially, from Bangladesh, China, India, Italy, and Lebanon. Most importantly, it will be a hallmark for BAASANA to be holding its last sessions at the United Nations Headquarter on the third day of the conference. The setting allows for spontaneous informal interactions and opportunities for networking beside informative interdisciplinary, applied sciences, plenary sessions, and a panel discussion. It will be a great opportunity to learn beyond your specialized discipline.

As a conference chair of BAASANA 2019, I know that the success of the conference depends ultimately on the many members of BAASANA family who have made timeless contributions in reviewing and organizing the sessions. I must mention the invaluable work of a friend and colleague, Dr. Jet Mboga in this regard. I also thank our Logistics Director, Dr. Nick Kombiadis and Dean Rajib Sanyal of Adelphi University for helping us arrange this venue.

Special thanks go to Dr. Ruhul Amin founding President and Chairman of Board of Directors, and President Dr. John Okpara, who have worked so hard to make this year’s conference a success.

I wish you a pleasant stay in Garden City, and New York and look forward to receiving your constructive comments upon conclusion of the conference.

Best wishes,

Dr. Serajul I. Bhuiyan
BAASANA Conference Program Chair, 2019 and incoming President

A Note to Session Chairs: Awards for Best Papers in a session is limited to those authors who have submitted and presented complete papers. Presentations based on abstracts will not be considered for best paper awards. No award will be made if only one full paper has been submitted and presented…. Executive Board of BAASANA.
