

BAASANA is a non profit professional association established in 2008 at Bloomsburg, Pennsylvania, USA. It hosts professional forums, conferences, educational and training programs toward solving human and organizational problems across the digital divide. It publishes scholarly articles based on applied, international and or inter-disciplinary research through International Journal of Business and Applied Sciences (IJBAS). The published papers are distributed world wide by EBSCO.

BAASANA is managed through an interdisciplinary, international board of accomplished scholars and professionals.
